

# Mobile Deposit Instructions

1. Log into your DPCU mobile app
2. Select **deposit** on the menu (camera icon)

A message will appear that says:

**Access not permitted. Your account is not configured for remote deposit; please request access online now.**

3. Click on the link "Request access online now"

You will be routed to a RDC access request form where you must enter the following account information:

- Account number
- Email address
- Full Name
- Street address including City, State, & Zip
- Cell Phone #

If the credit union permits access, an Online Agreement & Disclosure will be presented for acceptance. You must agree to the terms before continuing.

- **History** confirms successful submission or rejection of items.
- **Questions?** Click on Communication and send a secure message or contact the credit union at 608-787-1283 or 800-529-3728.
- Don't have the DPCU mobile app? Scan the **QR code** on the back for easy access.
